

Meet Mark and Lisa, Owners of Old Orchard Juice Co.

Old Orchard is based in Sparta, Michigan.

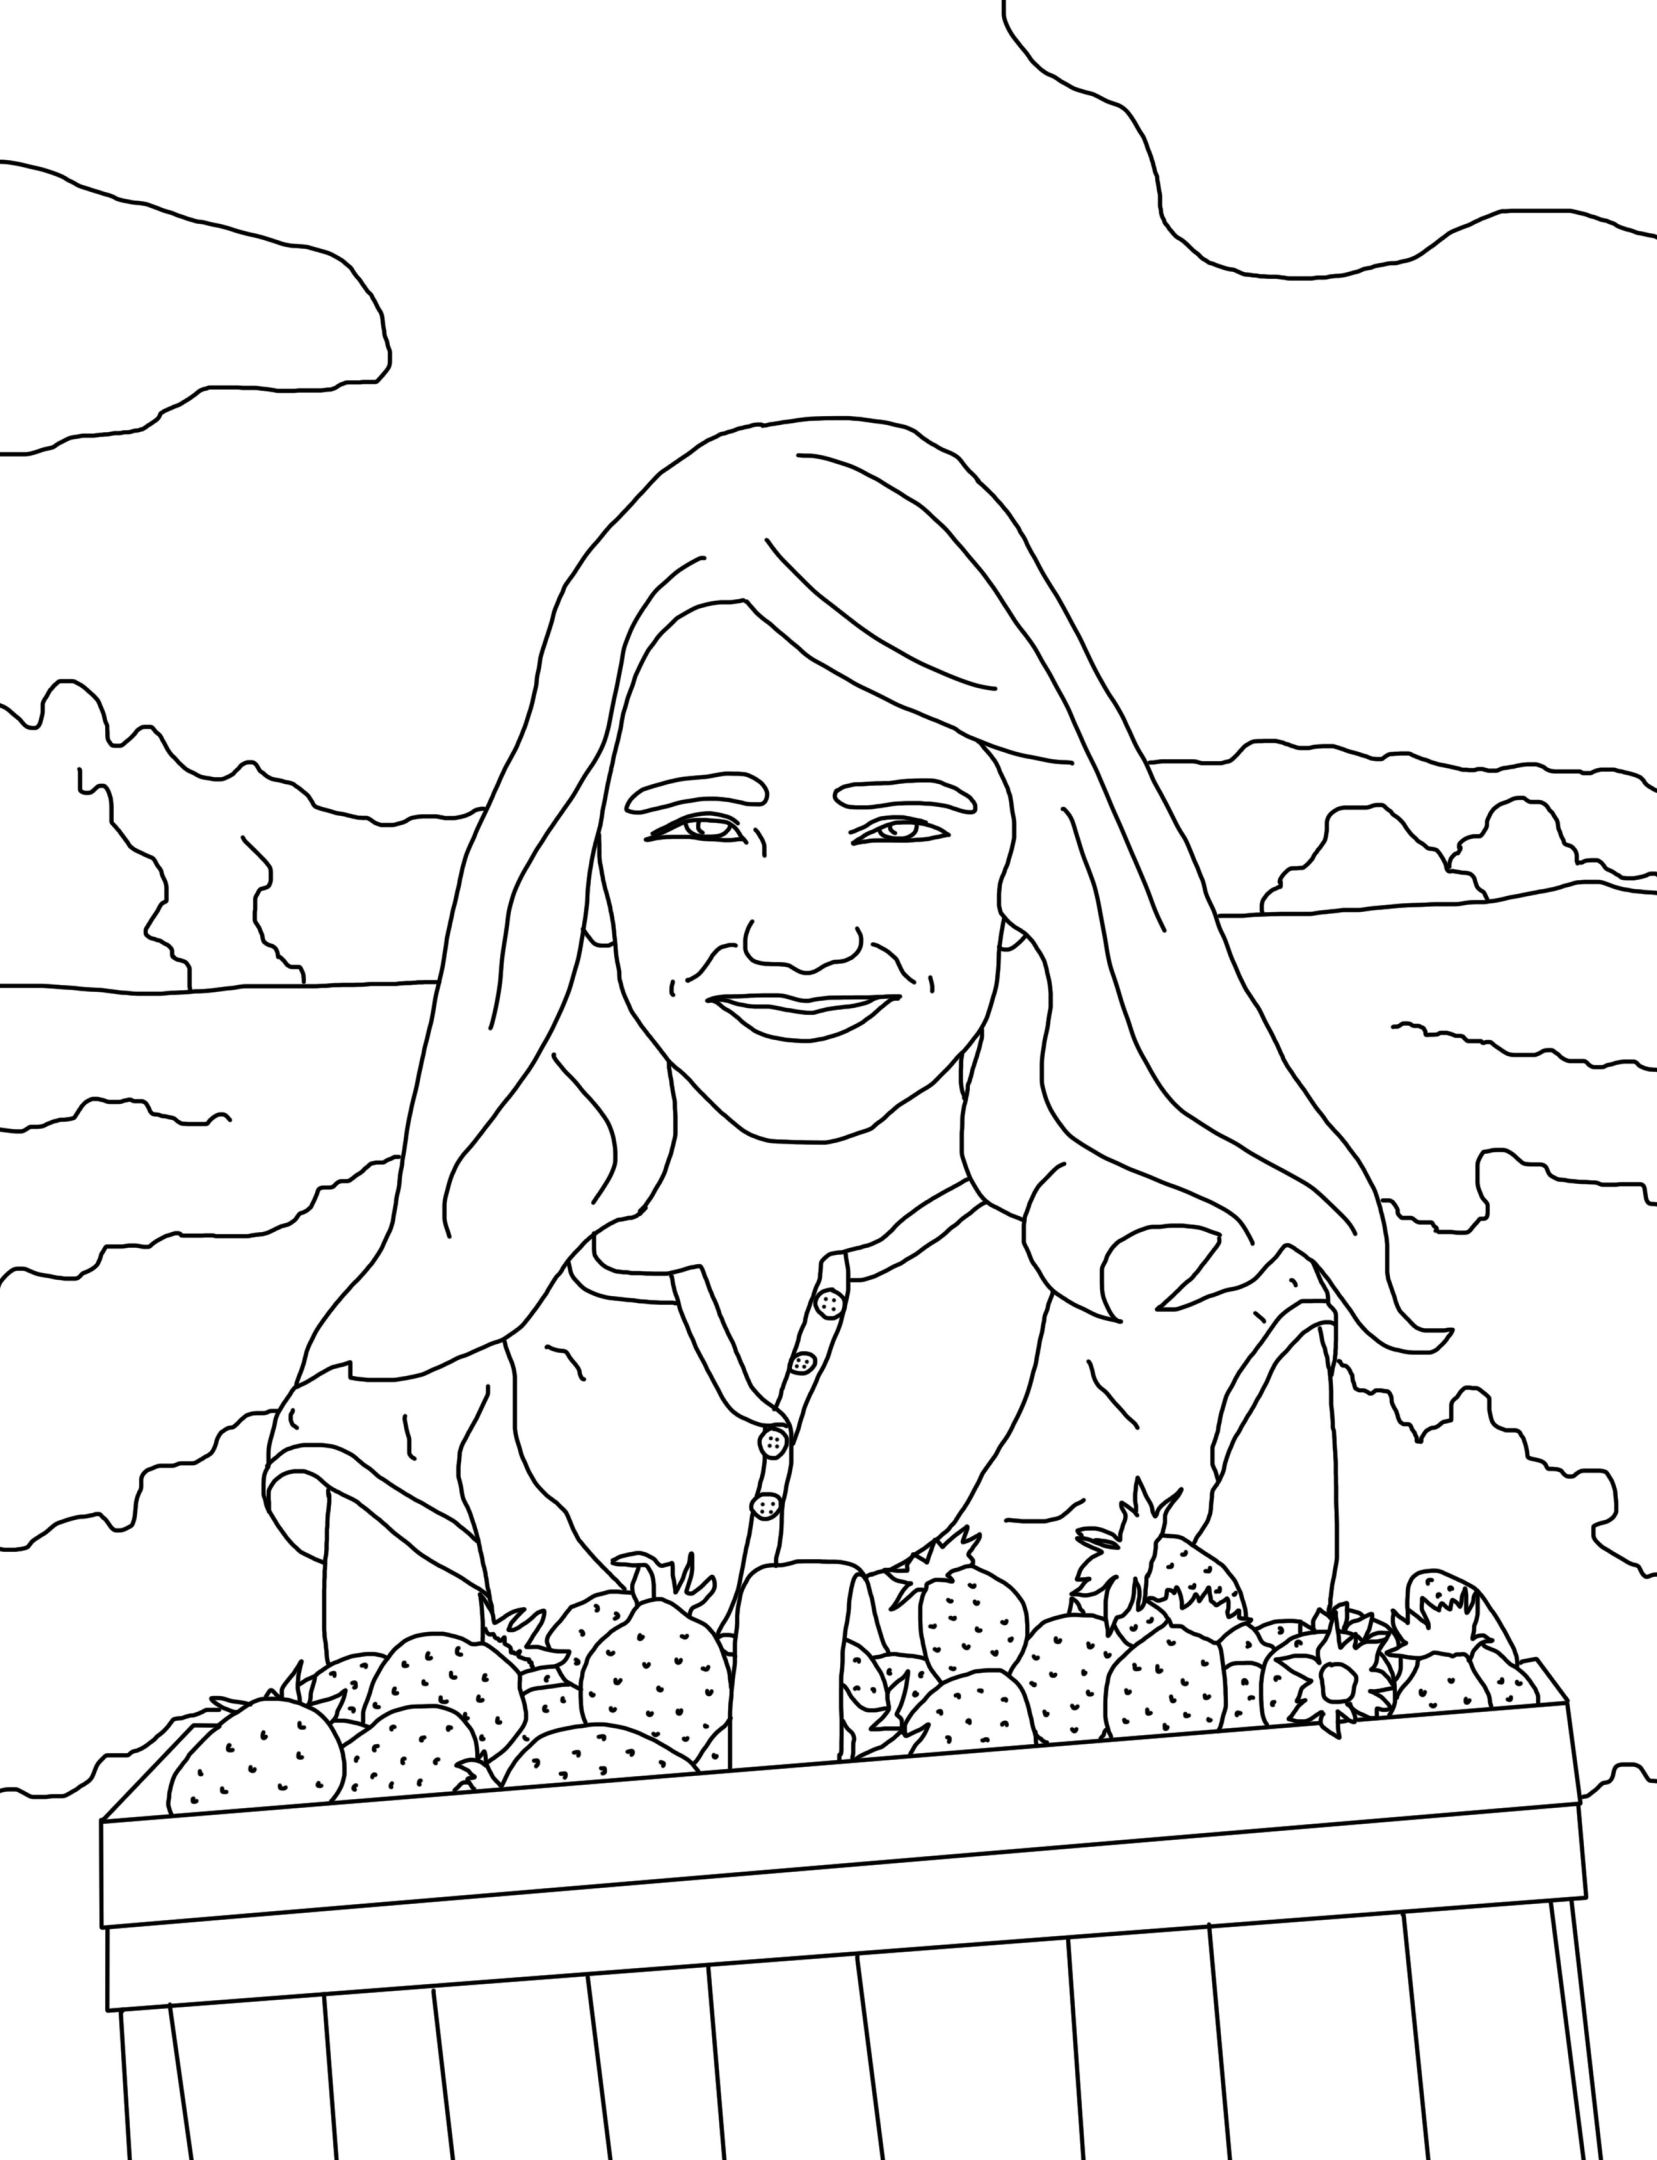

We make juice out of some of your favorite fruits like apples
and strawberries, and maybe even fruits you don't know -
like kiwis and mangoes!

Meet two of our juice experts - bottling up the best tasting, highest quality juices just for you!

All Old Orchard juices are blended from scratch in our facility.
Watch the bottles as they move down the production line!

Old Orchard offers over 85 different bottled products!

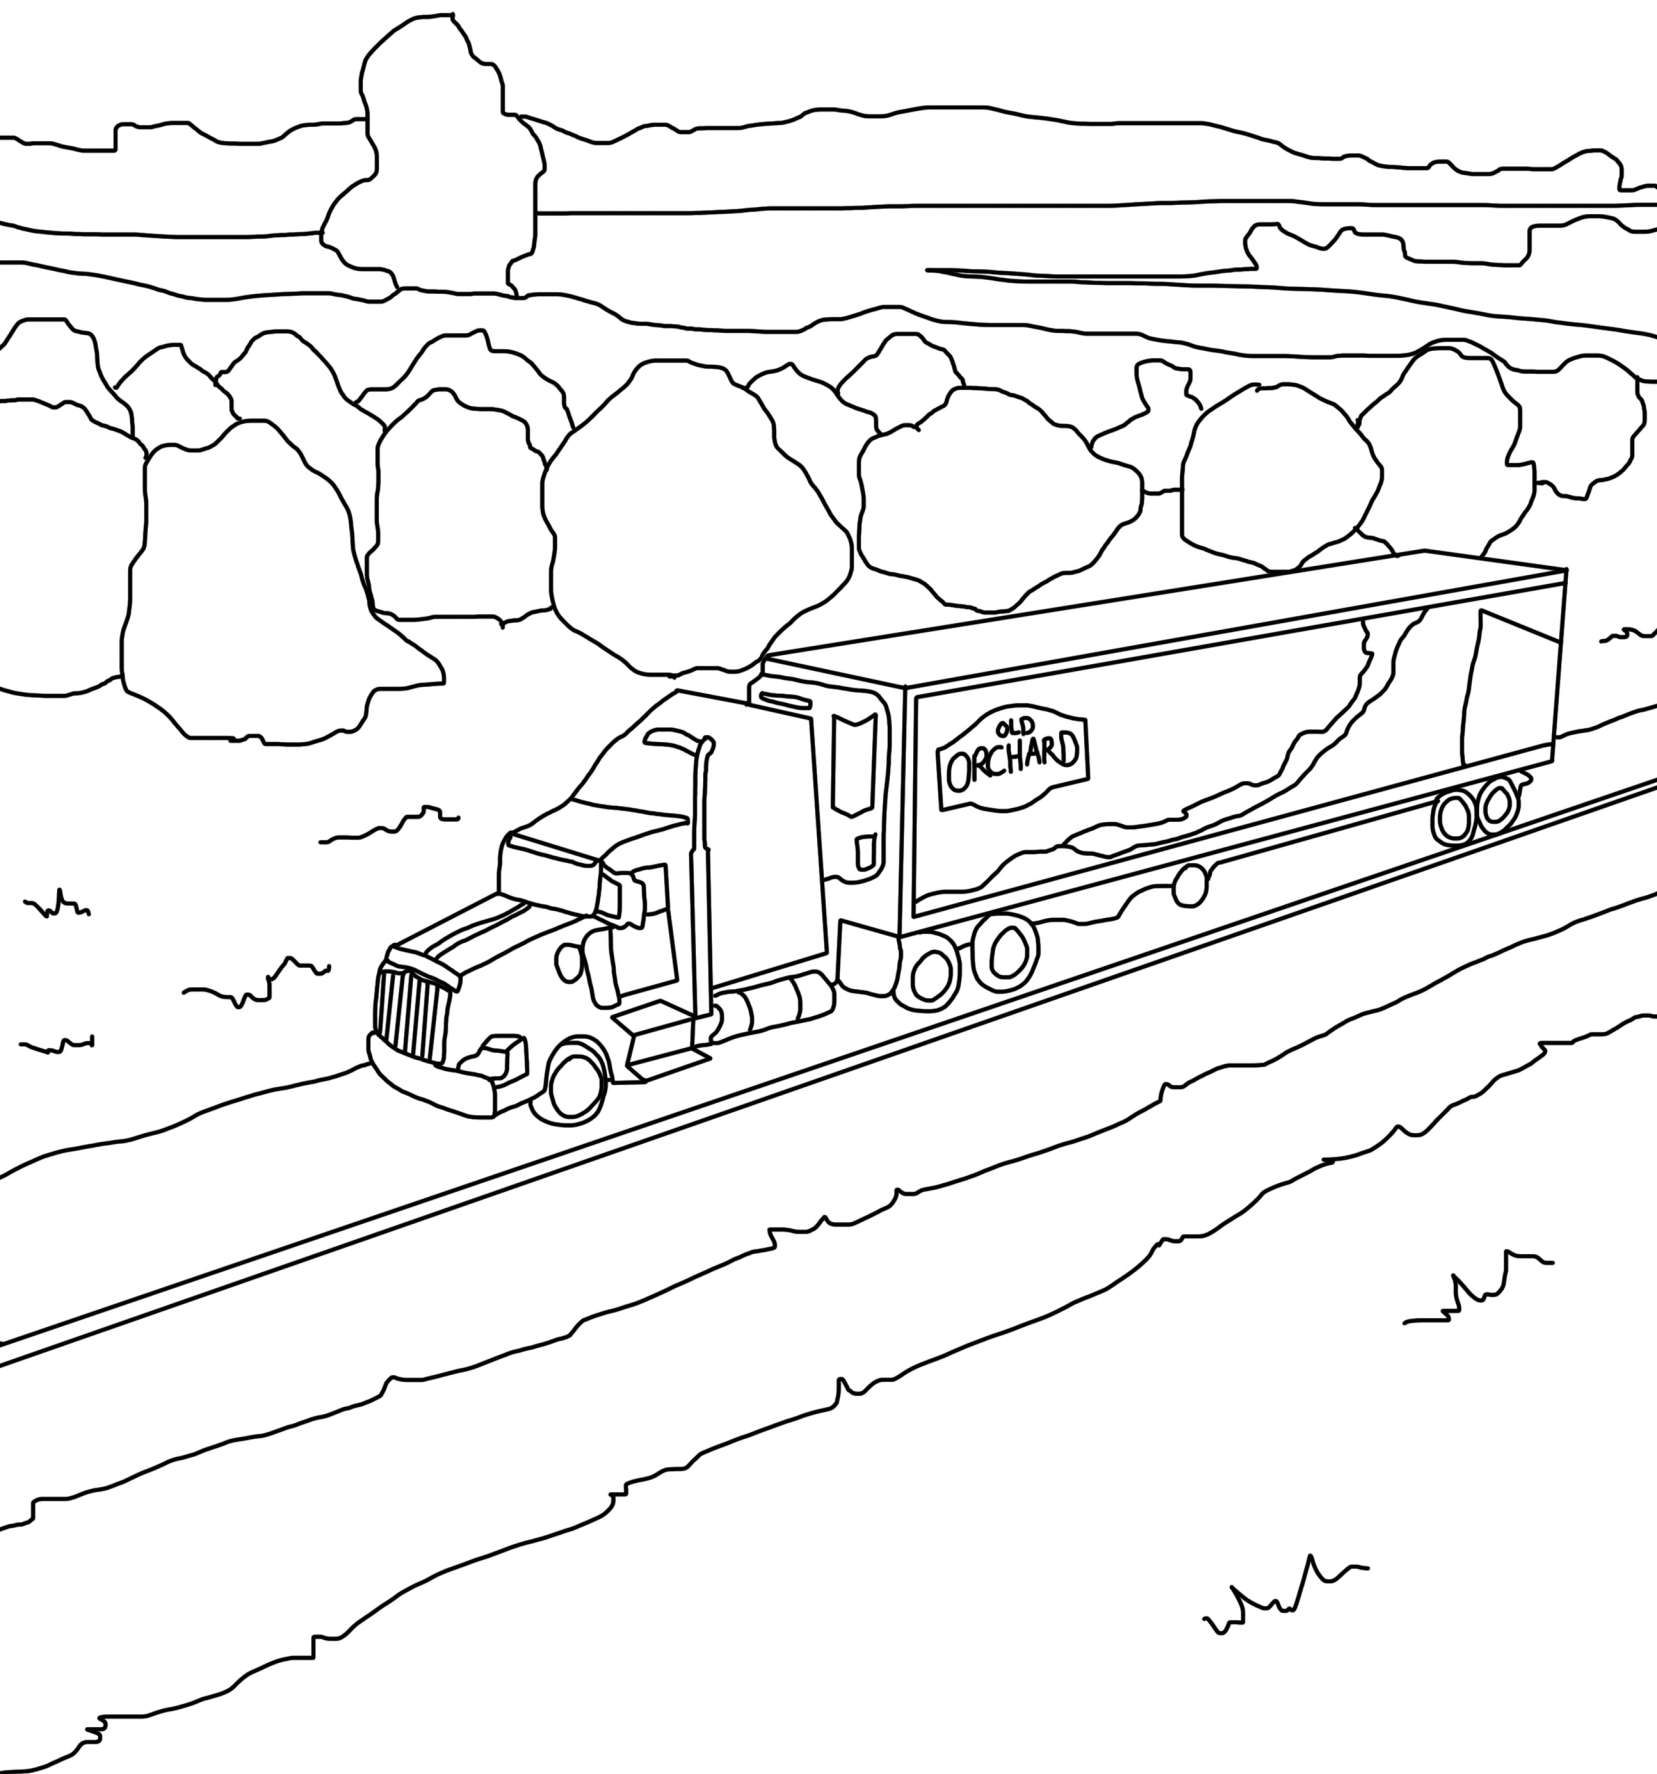

Old Orchard offers over 35 different frozen products!

All of our juices are boxed and loaded on a truck.

The truck travels across the country to bring Old Orchard juice to a grocery store near you!
