Introducing North Carolina eWIC

Families will use their eWIC card and PIN to access their food benefits at the grocery store.

How to use your eWIC benefits

Getting Started

NC eWIC cards are provided to participants at their local WIC office. Before you can use your NC eWIC card, you must select a 4-digit Personal Identification Number (PIN). Setup your pin by calling eWIC Customer Service at (844) 230-0813, or by logging on to www.bnft.com, or by downloading the Bnft® App from the App store.

- Choose a 4-digit number that is easy for you to remember but hard for others to guess. Do not share your PIN with anyone or write it on your card.
- If you enter your PIN wrong four times in a row, your card will be locked until midnight.
- If you forget or want to change your PIN, call eWIC Customer Service at (844) 230-0813, log on to www.mybnft.com, or use the Bnft® App to change it.

Using Your Card

- Keep your card in a safe place, like your wallet or purse.
- Keep your card clean, out of direct sunlight, and away from magnets and electronics.
- If your card is lost, stolen or damaged, call eWIC Customer Service at (844) 230-0813 and the card will be replaced by regular mail in five to seven days OR visit your local WIC clinic to have your card replaced.
- If someone finds your card and knows your PIN, they could use your benefits. Those benefits will not be replaced.
- Only the shopper is allowed to enter the eWIC card PIN number. Store employees may enter the *card number* manually, but must *never enter the PIN* for the shopper.**

Shopping with NC eWIC

- ❑ At the check-out: ALWAYS **swipe your eWIC card first** followed by FNS benefits, cash, and credit/debit payment.
- ❑ Use valued-customer cards, coupons, and in-store specials whenever possible.
- ❑ If your fruits and vegetables cost more than the allotted WIC benefit amount, you will need to pay the difference.
- ❑ Do not return WIC foods to the store for cash, credit, or exchange for other foods.
- ❑ If you use a smartphone, get the Bnft® App and use it to scan the bar code on any item on the shelf to check for WIC-eligibility.

For questions about the NC eWIC card

Log on to www.mybnft.com, use the Bnft® App or call eWIC Customer Service at (844) 230-0813.

For questions about WIC food benefits while grocery shopping
